This development has a substantial impact on our property of all the surrounding properties. Should the development get planning permission I wish to make a comment having studied the the plans in detail, and set out the rough positions of plots 3&4, and 1&2, I believe the gables on the north & east elevations cause unnecessary restrictions to light and visual impact to the properties surrounding the development. This could be reduced by the removal of gables on these elevations and the roof line being " village"."=""/>
