<b>Comments</b>	<input type="text" value="I wish to object strongly the planning application namely the erection of six one story age restricted buildings for older people on the land south of Faraday House Woodway Road Sibford Ferris by Blue Cedar Homes Limited. There are many grounds for legitimate objection. The village is already having 25 extra houses built in the Hook Norton Road. There are already more than 1000 houses in the local plan where there is a requirement of 750. This brings into question the sustainability of the development in terms of the surgery, sewerage, education and bus services. There is the further danger of two lots of site traffic and the possibility of children coming to harm in the area as a result of all of this. I am pleased that the planning committee is going to consider this application and would urge the council to refuse it."/>
