

MULBERRY HOUSE, SIBFORD FERRIS, OXFORDSHIRE OX15 5RE

☎ 01295 788242

Dear Wayne Campbell, ref 21/04217/F

I wish to object to the development proposals by Care Homes. Woodway Road Sibford Ferris
Basically I support the CDC earlier refusal of the development on the Hook Norton Road. It included, and which I support, concerns over road capacity, lack of pavements,

water pressure, school traffic, wrong categorisation
of Sibford Ferris, Sibford Gower and Burdhop
as a Category A village. No need for retirement
homes. Significant landscape image only 7 miles
from the Cotswolds national park. Loss of farmland.
Inconsistent with the revised Government
housing policy. Thank you. Please confirm receipt
davidlong49@hotmail.com.
and post my objection online.

David Long.
