Dear Sir

Planning application. 21/04271/F

With reference to the above planning application I strongly object due to the decision to be made by a planning officer. Surely this should go to a committee of elected representatives who are answerable to us, the residents of Sibford, and not to an officer of the council, no matter how qualified. It also puts the officer at a disadvantage as however the outcome he or she will no doubt be unpopular with either the applicant or the residents of Sibford. I am surprised that the council are willing to subject the officer to such a position.

In addition to my comment above this application is yet another case of where will it stop. Will the proposed six dwellings increase into a far greater number as has the development on the Hook Norton Road. Enough is enough.

Yours faithfully

Jan Warner
