Environmental Protection has the following response to this application as presented:  
21/04283/DISC - Discharge of Conditions 16 (Environmental Noise Assessment) and 17 (Geotechnical and Geo-Environmental Assessment) of 21/02417/F - Land Adjoining And West Of Stonecroft House, Clifton Road, Deddington

I have reviewed the additional information supplied, and am satisfied that condition 16 (Environmental Noise Assessment) can be discharged, providing the recommendation of the report 9263/LN (November 2021) are followed.

Condition 17 can also be discharged (Geotechnical and Geo-Environmental Assessment) of 21/02417/F – providing the Remediation Requirements of Report No. 13436 (October 2021) are followed.

Kind Regards
