Comments	<input type="text" value="I strongly object to this planning request. The village as a community has planned to buy the pub, then the college came in and 'saved the day' when they bought it and said they would open it as a pub. They have sat on it for years and it's the main village pub. It needs to be sold as a pub to someone who will invest in it. Not having a village pub impacts our house prices, but more importantly it reduces the community coming together. We need a pub!!! I object to this planning request!"/>
