Comments	<input type="text" value="As General Manager of Wroxton House Hotel for the past 3 years. It is apparent as a village the requirement for a village, to allow socialising and increase community spirit is needed now more than ever. Also as a local business the reopening of the village pub will also assist the growth of my own business and ensure sufficient amount of employment for the locals, especially those in the 16-18yr old bracket that would like to work. With the lack of public transport from the village this is integral. The council should be looking at reestablishing this as a village pub oppose to further housing."/>
