Comments	<input type="text" value="Wroxton has been promised a pub for years. We have been waiting and waiting to now be told it will be converted to a residential property. It is important to have a pub in the village for the small community here. Now we are expected to drive or walk to any of the nearby villages for a drink. It's madness as walking on the Stratford road at night is dangerous and obviously we can't drink and drive! Having a pub in the village would also be a great attraction to people who come and visit the abbey grounds during the weekend."/>
