Comments	<input type="text" value="Having lived in Wroxton until just last Summer, I strongly object to this application. The village of Wroxton is in desperate need of a pub. I have no doubt that if the North Arms was reopened as a pub it would have a strong and loyal customer base. Not just from the villagers but from the many visitors to the Abbey. I would definitely go there, even though I no longer live in the village. I don't believe the property has been given enough of a chance on the open market to be bought as a pub, instead, there has just been total capitulation for the easiest win. This is not in the interest of the villagers. Not one bit. I therefore strongly object to this application."/>
