<b>Comments</b>	<input type="text" value="The reason for my objection is the current owners brought the North Arms knowing it requires some alterations and modifications that will cost money. So why would they want to now change it into a home.. would it be for a substantial profit The reason the current owners have outlined one of there reasons they would like to now change it from a public house to a private home was you would need deep pockets to keep it as a pub so why did they purchase it..????? They also stated that Wroxton village has pubs within walking distance. All public houses near Wroxton are on un- lit B roads with no path ways that are extremy dangerous to walk on Please except my objection to this planning permission"/>
