<b>Comments</b>	<input type="text" value="I am under the impression that there is a great need for such a pub as the North Arms in the village of Wroxton and strongly object to plans for change of use to an expensive (1 million +) home of which there are already plenty in the area. The current owner has already embarked on altering a grade 2 listed building (outside of submitted plans) when it was originally intended to be refurbished some years ago as a pub. Covid problems in the hospitality trade notwithstanding, The North Arms deserves better."/>
