Dear Sir, I am unable to access your website which should allow me to comment on planning applications on your advice I am sending an email. I hope I have not missed the cut off date of 22nd March because I have not been able to access your website.

I am not opposed to change of use on the North Arms in Wroxton in fact I would welcome it because the property is currently an eyesore as is the White Horse on the A422 for goodness sake allow the owners to improve them and make them into dwellings.
