<b>Comments</b>	<input type="text" value="The owners are perfectly entitled to modernise and repair the property I can't object to that only add my voice to those others concern with site access and disruption during the proposed building work. Once again this seems a fairly substantial alteration to a small cottage with no rear access on a lane which is effectively a single track road. A lane used by many residents of Burdrop and by patients and staff of Sibford Surgery where parking is sometimes difficult. There's no room for builders vans, the lane isn't suitable for lorries and deliveries of building materials would cause problems."/>
