Comments	<input type="text" value="The traffic around this roundabout is awful, if there's the slightest incident near the motorway, on the motorway, road works etc, anything, then the whole of Banbury suffer with the amount of traffic throughout the whole town. This will increase traffic through this area, making it impossible to get anywhere. I have to use the Motorway each day for work, I work 30mins away, which should take me 36 minutes when you look on a map. However, due to the traffic leading upto the motorway already, I already have to allow myself 1. 5 hours to get to work. This will just increase with the planning asked for."/>
