Comments	<input type="text" value="To allow 49 house to be build in Shenington is unacceptable. The obvious reasons are the additional cars, already the speed can be an issue . The village school is very small and all secondary aged pupils would have to be driven to school . Shenington a a beautiful small village and by and large the more recent building has be fairly sympathetic, a modern estate would not enhance anything . This needs very close and detailed information to be presented to convince the Shenington residents this is a purposeful addition . I can't think of one reason . Of course people need houses but this village does not have the facilities to accommodate potentially and extra 200 people plus. This needs carefully study with a very good reason other than financial gain for this estate to go ahead ."/>
