<b>Comments</b>	<input type="text" value="This application is totally disproportionate to the present number of homes in the village, if agreed it could represent an additional 100 cars entering and leaving the village on our narrow roads particularly through Alkerton. Rattlecombe Road is totally unsuitable for the continual heavy construction traffic, our Surgery is overflowing with current potential patients without the possibility of at least over a 100 new bodies applying, as stated water, sewage and electricity supplies are at a current maximum need. The number of proposed new homes is totally out of the question."/>
