Received Date	<input type="text" value="I object to this application. Shenington is an historic Ironstone village incorporating a conservation area, surrounded by glorious countryside criss crossed by recognised public footpaths, and supporting all manner of local wildlife. The reasons for my objection 1) Shenington is a Category C village and any additional development will detrimentally alter the character. 2) Drainage and Sewerage is a problem and any development will exacerbate the problem further. 3) Any development would affect the visual attractiveness of the village for nature lovers and ramblers seeking peace and quiet for their mental health and wellbeing. 4) Shenington is a linear village and many cottages on the main thoroughfare have no drive leaving no option but to park on the road and therefore reducing the thoroughfare to a single cars width. Any development will cause considerable congestion and lead to accidents, injury and possibly fatalities."/>
