Comments	<input type="text" value="I am 8 years old and growing up in Shenington, I need to feel safe when I walk and go on my bike. If the new houses were built it will make it more dangerous for us kids to play. I am also concerned about the wild animals that live in the hedges because I have lived with them all my life and I don't want them to go. I've seen moles, rabbits, hares, birds, foxes, badgers, hedgehogs, feral cats. If the new houses are built they are going to interfere with the farming next door."/>
