Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="I am writing to object to this planning application by Elan Homes. - Shenington is a category C village & under the CLP 2031 only infill and re development is permitted - the site transgresses the village conservation area -the sewage system is regularly overloaded in Alkerton & the Shutford Treatment works is already nearly at capacity -water pressure is already reduced -Broadband is already bad & regularly non existent - we regularly have power cuts & the village sub station is operating at near capacity -we have a limited bus service operated by Warwickshire not even Oxfordshire CC -the surgery is operating at near capacity & we are waiting 2 weeks now for appointments and that's before COVID sickness - the road through the village is just not capable of taking in excess of 100 more cars more vans/ lorries.The road is too narrow and it's width is determined by ancient stone walls. Only yesterday I had to reverse up Alkerton hill & round the corner to allow a coach to pass.More cars would create an increased danger of car & pedestrian accidents (no paths) and increase pollution. I implore you to please reject this application"/>
