**Subject:** New comments for application 22/00489/F

New comments have been received for application 22/00489/F at site address: Os Parcel 9078 And 9975 Adjoining Stocking Lane And North Of Rattlecombe Road Stocking Lane Shenington

from Nina Tyrwhitt 

**Address:**  
Manor Farm Barn, Street Through Alkerton, Alkerton, Banbury, OX15 6NL

**Comment type:**  
Objection

**Comments:**

That part of the village is already congested enough with traffic which would only be increased if this development went ahead. Stocking lane is already used beyond capacity for access to homes, the primary school and the GP surgery. Extra houses would only increase this and there would also be a backlog of traffic onto Rattlecomb road which would cause disruption to the village and surrounding ones.

This application is not taking into account the fact that the village is Category C. The proposed new dwellings will not be conversions or infills

This village would not be able to handle an increase of 30%
