Comments	<input type="text" value="I object to this application for a 4 bed house , as , 1, it will spoil the surroundings of the village for the wildlife . 2, traffic is horrendous down rectory Lane as it is at present , so more traffic will make things even worse . 3, already had a major incident of 2 big trees collapsing through a building nearby . So road was cut off . 4, to near the primary school in fringford , so we don't need more hassle in the village . 5, I totally object as fringford is a old village with war memories and old cottage buildings . So a 4 bed property there will look a eye saw and not fit in with the village community ."/>
