Dear Sir/Madam,

I am submitting a concern regarding planning application 22/01049/F
For Mr Derek Dudley.
Mole End Wendlebury.

I live at the cottage adjoining; I am concerned about being overlooked .
How far does this new extension extend in the garden,
and what height is it?

Also regarding drainage as the properties have shared drainage? In the past there has been flooding.
What changes are made if any?

Yours Sincerely,
Karen Cromer.
