

# Comment for planning application 22/01144/F

Application Number	<input type="text" value="22/01144/F"/>
Location	<input type="text" value="OS Parcel 5700 South West Of Grange Farm Street Through Little Chesterton Chesterton"/>
Proposal	<input type="text" value="Full planning application for the erection of a new high quality combined research, development and production facility comprising of Class B2 floorspace and ancillary office floorspace with associated infrastructure including: formation of signal-controlled vehicular access to the A41 and repositioning of existing bus stops; ancillary workshops; staff gym and canteen; security gate house; a building for use as an energy centre (details of the energy generation reserved for future approval); loading bays; service yard; waste management area; external plant; vehicle parking; landscaping including permanent landscaped mounds; sustainable drainage details; together with the demolition of existing agricultural buildings within the red line boundary; and the realignment of an existing watercourse."/>
Case Officer	<input type="text" value="Robin Forrester"/>
Organisation	<input type="text"/>
Name	<input type="text" value="Amy Lake"/>
Address	<input type="text" value="4 Barretts Row,Main Street,Wendlebury,Bicester,OX25 2PH"/>
Type of Comment	<input type="text" value="Comment"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="Supportive of traffic lights and crossing to make road more accessible to public transport users in Wendlebury, however the scale of the development is alarming. I hope Wendlebury doesn't become a bypass for extra traffic! More information is required on redirection on brook to ensure local drainage/flooding issues are addressed and solved for, rather than exacerbated."/>
