Dear Sir/Madam,

I have received this application through the DEF MasterGov system and I have some comments on the archaeological evaluation report so I wondered if they could be passed on?

The applicant has submitted the archaeological evaluation report prior to sending us a draft copy for our comment and so I attach comments below.

- The report needs to contain some general trench photos
- Fig. 3 if the trenches with archaeological remains recorded could be a different colour to the blank trenches, it would make it easier to identify them

Kind regards,

Victoria
