Name	Andrew Lawson
Address	Long Beech House,Street Through Little Chesterton,Chesterton,Bicester,OX25 3PD
Type of Comment	Objection
Type	neighbour
Comments	<p>This application in the green belt shall overwhelm Little Chesterton and it's active livestock farm, with noise, urban lighting and traffic. We currently live in a tranquil hamlet with a Dark Sky, little noise and very little traffic with all sorts of wildlife, plants, flowers, all gone. This building is 3 stories high offices plus factory roof even higher we are to be protected by a 4mt high bund absurd, it shall operate 24 hours a day, maybe 7 days a week, lorry movements fork lift trucks, 1350 employees moving around on site all within a couple of hundred mts from our homes. What arrangements are being taken by the council to protect our hamlet. This of course is a Trojan horse development I understand that all the fields along the A41 from the M40 to Bicester shall be developed as either housing or warehouses, once this application is accepted. We have recently witnessed Great Wolf, an American company, win permission in Chesterton not one Parish council supported it nor did you, all over ruled. Local Democracy vanished I am extremely sad. This is not the only suitable site in Bicester this same developer has a large landholding on the A41 Aylesbury Road where it has broken the Green Belt status why not encourage them there. In fact the Bicester Advertiser in their article last week confused the two stating that Siemens where moving to the A41 Aylesbury Road site. A jolly good suggestion I thought.</p>
