Dear Mr Plater,

Thank you for your very prompt response and for agreeing with our proposal for site deliveries, it is much appreciated. I have amended the CTMP by adding section 2.6 Delivery Hours into the document. The revised document is attached here but I appreciate it will need adding to the planning portal and an extension of time agreed when Nat is back from leave.

Kind regards

Dan

Dear Mr Skinner,

Thank you for your email. I agree that it would be acceptable for deliveries to arrive before 8am, as long as those vehicles also depart by 8am or are held until 9am, as you suggest. Please amend the CTMP to reflect these hours.

Kind regards

Dear Mr Plater,

Thank you for your comments on our application at Hook Norton Road. We fully understand the reason for the delivery hours that you have specified but they are a little restrictive. Would it be acceptable for us to also have the flexibility to accept deliveries prior to 8am so long as all construction vehicular traffic is away from site by 8am, or parked and unloaded onsite until 9am?

Kind regards

Dan
