Comments	<input type="text" value="The traffic in our villages is already a nightmare, making it difficult for our children to walk to school. The local infrastructure and roads are in such a bad state of repair and adding hgvs to the roads will only worsen this. The number of people having to pay costly repairs to their cars due to damaged roads is ridiculous. The buildings will be eyesores in our beautiful countryside, the roads already get backed up with traffic from the motorway and this is going to make it worse"/>
