Comments	I strongly object to this development. The A43 from Brackley to Baynards Green is already unable to cope with the existing traffic. Regular traffic accidents cause serious chaos at the M40 junction which results in every surrounding village being used as a cut through for motorists. For example, Friday 14th May 2022 an overturned lorry caused Fritwell, Souldern, Somerton, Ardley, Stoke Lyne and Baynards Green to be gridlocked for hours. This development is not within local plan, there are already huge warehouses only a few miles either side of the proposed site. Noise, light and air pollution from this development will be catastrophic!
