Comments	<input type="text" value="I am objecting to the above proposal due to the unnecessary nature of the site and the location. I use the Stoke Lyne single track road everyday and come out at the B4100 junction. The proposed site will run along this single track road and therefore make it exceptionally busy with this new level of traffic. The B4100 is already a busy road with the approach to the Baynards Green roundabout and then on to either A43 and M40. This would not only be a massive eyesore in a lovely rural setting but have a huge impact on an already busy and major intersection of main roads."/>
