Comments	<input type="text" value="Concerned about the level of traffic this additional warehouse operation will add to an already very busy area given the number of new houses being built. The B4100 is very busy most evenings and blocked whenever an accident happens on the M40 around junctions 9 and 10 (which is regularly). Also concerned about the extra traffic coming off the B4100 during busy times onto the surrounding village roads like Fringford Road and Skimmingdish Road in Caversfield."/>
