Comments	I object to this development. The Cherwell local employment plan does not include this area whilst areas already allocated are available. The current roads are already at capacity, the A43 Road surface is disgraceful and will only deteriorate further with increased heavy traffic. The surrounding villages, many of which are single track roads are already experiencing increased traffic especially during rush hours and when the A43 is disrupted. There is no way of getting to this development other than by car, this too will increase traffic as well as noise and pollution. This land at the present time is agricultural / grazing land and woodland all enjoyed by both wildlife and people, to destroy this would be tragic and irreplaceable.
