Comments	Dear Sir or madam I would like to register my objection to the plans for this latest development. I do not believe it is nessary or beneficial for this project to go ahead. (1)Conservation of the area is one of the major concerns that my neighbours and I are apposed to (2) I would question just how many jobs it would create as to whether its beneficial. Finally (3) Finally from a personal view it seems we in Stoke Lyne have our declining countryside disappearing at an alarming rate . So please we not want this building project to go ahead Yours Sincerely Mike Adams
