Comments	I would like to lodge my objection to the Tritax Symmetry Park. It will be on a greenfield site which is an unacceptable loss of agricultural land. There are already huge warehouse facilities being built around Bicester and the surrounding towns so yet another seems totally detrimental to the well being of the residents and the rural nature of the surrounding villages. The impact on the local villages will be damaging due to light and noise pollution and the visual aspect of the monstrous warehouses scarring the horizon. The local roads, already poorly maintained, will suffer further with the inevitable increase in traffic.
