Comments	<input type="text" value="Not in keeping with local conservation areas. Ruining the character of local villages and conservation areas eg Fewcott and listed buildings in Fritwell. Additional traffic on an already busy stretch of road. Modifications to the road risk affecting local villages with light/sound/air pollution if built closer than currently is. Stoke Woods is also an enjoyable woodland with a great deal of biodiversity. This will also be affected by this proposal and Bicester and surrounding villages will lose a great local resource in the woods."/>
