Comments	<input type="text" value="I object to the above proposal as it will be devastating and completely detrimental to the surrounding villages and countryside, not only the immediate impact of the site itself but the impact of the traffic load on the roads feeding the site. Living in Mixbury we are already having HS2 slashing through the immediate area, with thousands of lorries due to deliver hardcore, and the devastation to the countryside & wildlife already having a huge impact on the area."/>
