Case Officer	David Lowin
Organisation	
Name	Harriet Wye
Address	Church Farm,Street Through Stoke Lyne,Stoke Lyne,Bicester,OX27 8RU
Type of Comment	Objection
Type	neighbour
Comments	<p>The Application is on agricultural land in a very rural area. The proposed multiple sites would generate large amounts of noise, traffic congestion, diesel fumes (from increased goods vehicle movements) and light pollution in the immediate and surrounding area. This would be damaging for wildlife and for all who live nearby. The visual impact on a pleasant rural landscape would be horrible, with great high buildings either side of the B4100, it would be like driving through an industrial tunnel.</p> <p>The view from Stoke Lyne would also be forever changed for the worse. It's an area of high employment so workers would come from a long distance away, inevitably by private transport as there are no public transport links or cycle paths nearby.</p> <p>The village of Stoke Lyne is a popular starting point for many lovely walks and cycle rides. The increased incidental traffic on the local minor roads caused by this development would spoil so much enjoyment of the countryside locally for recreation.</p> <p>The 24 hours a day access and use of the site would mean that there would be no respite from the damaging effects of noise light and emission pollution for the village of Stoke Lyne as well as all the plentiful local wildlife.</p> <p>For these reasons I object to the application</p>
