Hi,  
I have tried to lodge my objection online but the system doesn't seem to be able to cope. I gather I can email instead.

This development is entirely wrong in this situation. The character of the village of Stoke Lyne will be severely affected, falling in the shadow of this massive site, and whole local area, which is so essentially rural, will be blighted. I live only a few miles away and frequently enjoy walks around Stoke Lyne. There is a real shortage of places to go and walk in peace - Bicester encroaches ever further into our farmland, East West Rail and the HS2 rail development have each taken swathes of land, with massive disruption to local paths, and local beauty spots like Stoke Lyne Woods are very heavily used. We can't afford to go on losing land to development like this.

Our local lanes and infrastructure cannot support something on this scale. Baynards Green is already a traffic bottleneck and, whenever there are delays on the main routes, traffic spills out down the lanes finding a way round. This development will make the problem massively worse.

I would be grateful if you could add my objection to those submitted via the online system.  
Many thanks,  
Rebecca Adams
