Dear sirs,

I would like to object to this planning application firstly due to its destruction on Greenfield land. Given the impending food crisis, and struggles with importing food, 4 square miles of farmland will be vital in the long term.

Secondly, the local country road network already often has queues UpTo 10 mins long at rush hour. The traffic from these new sites will inevitably impact this further, effecting many surrounding villiages and towns negatively.

Best Regards,

Mark Foster
