Heyford park
Upper Heyford
OX25 5BT

I object because I have concerns about the environmental impact on our countryside. The amount of traffic this will cause will increase pollution levels. I'm concerned this will negatively impact children's developing respiratory systems. We already have too much traffic coming through our village often with HGV's mounting the already narrow pavements, which I feel makes the pavements unsafe for our children.

I feel this development will negatively impact the children of this village.
