Comments	I strongly object to this development. It's enormous and will swamp the small villages that surround it - Stoke Lyne, Fritwell, Ardley-w- Fewcott and Bucknell. This is the third application for warehouse development in our area - there is the Albion development, this development and one planned for the green belt between Ardley and Middleton Stoney. There is also a new housing development of 7,000 houses proposed at Bucknell. This amount of development will destroy our neighbourhood. It will have an intense impact on local people, our fields, our wildlife and our countryside through increased traffic, noise, pollution, flooding and the devastation of wildlife habitats.
