Comments	<input type="text" value="I Object to this planning application and urge the committee to refuse. The development is not needed or wanted in and around the Bicester area. The proposed location is not on the local plan for either development or employment purposes. Indeed the Cherwell area has a very high employment rate and should the developer wish to use this as an exceptional circumstance they should find themselves an area that is in exceptional need. The rural location that has been chosen is completely inappropriate and would be obliterated by buildings of such huge proportions with devastating impact on the wildlife."/>
