Comments	<p>I wish to object to this application.</p> <p>It goes against the local plan and is with an area not designated for either employment or development. we come to this area very often to visit close friends and often stay. This huge development would completely ruin the rural nature and outlook of the area. The developer has cited exceptional need as a reason for development in this location, but the Cherwell area does not have exceptional need either for logistics or employment.</p> <p>please refuse this application .</p>
