Comments	<input type="text" value="Loss of countryside, increase traffic and noise and disturbance to local villages. There is already a number of HGV through Heyford Park and this will increase due to this development, thus damaging the road even more. Cutting off road access to the M40 / Ardley from Heyford Park will greatly disrupt our family everyday for the school run to Fritwell, the road around from Somerton (Fritwell Road) is not fit for purpose and will likely have increased traffic due to this."/>
