Comments	<p>I would like to strongly object to this application for Logistics Development and associated works. The proposed location which we visit often is not part of the local plan for either development or employment use. There are no exceptional needs in this location for either use or employment and therefore the application should be refused. The area is an attractive rural scene not far from the M40 and this huge development would completely ruin the habitat and area beyond any recognition. Air and light pollution would be of significant harm to the local community especially given the proposed 24 hour operation of the park</p> <p>please refuse this application</p>
