Comments	This will ruin a beautiful aArea of countryside corrupting the peace and quiet of the surrounding villages and hamlets, It will make the busy road network impossible (it's at a standstill on most days at rush hour anyway and frequently blocked) and cause motorists to use the local village roads as 'rat runs' putting the cyclists, walkers and horse riders who use the roads to get to footpaths and bridleways . We specifically moved to the area to be able to live in quiet countryside and strongly object. To this unnecessary commercial urbanisation.
