Subject: Planning Application No 22/01340/OUT objection

Dear Planning Department,

I would like to object to the plans for warehousing at Baynards Green (planning application no 22/01340/OUT). I think the planned development will increase traffic congestion in the area, particularly round Baynards Green roundabout, where there are already often delays due to too much traffic, increasing travel to work time for people living in the area, even early in the morning (7.00 am/ earlier). Visually, it will also be an unwelcome new addition to its surroundings.

Kind Regards
