Comments	<input type="text" value="I am objecting to the proposed warehouses due to the following reasons:
A negative impact on the environment and therefore on the wildlife in the area. This will be from habitat destruction, air pollution, noise pollution, light pollution and more animal road fatalities.
There will be an increase in traffic in an already congested area due to more workers and deliveries. Baynards Green is already often at a standstill and it is very hard to turn off the side roads onto the main road."/>
