Comments	<p>We object strongly to this enormous loss of quality agricultural land for food production which the world is short of.</p> <p>We do not think that there is the need for this amount of warehousing. Bicester is already blighted with blocks of warehouses which often remain empty for months.</p> <p>The road infrastructure around around J 10, J 9, A43, B4100, B430 is already beyond capacity. Residents of the villages have no peace from vehicles 24/7. Bicester is often gridlocked; getting across the Baynards Green roundabout to go towards Banbury can also be gridlocked.</p> <p>These warehouses,once built, will employ very few people.</p> <p>Bucknell will be entirely engulfed in developments. We are are a small village with an ancient Church and other Grades 1 and 2 listed buildings.</p> <p>Do we need to cover the countryside with sheds full of imported goods?</p>
