Comments	<p>I object on the following grounds to this development</p> <p>1) the volume of traffic through Aynho is already very high and heavy trucks would further use it as a rat run. It is a very dangerous road already and this will add a great deal more traffic.</p> <p>2) Increased pollution and compromising the local wildlife habitats and environment</p> <p>3) the exit at the M40 is already extremely congested and even crossing the roundabout at Baynards Green to Bicester can often take 10 minutes. This will further increase the congestion and chaos on our way to work.</p> <p>I object to this application</p>
