Comments	<p>Dear Sir</p> <p>As a resident of Aynho for 29 years I have seen a great increase in traffic movements to the detriment of noise, road safety and air pollution. The building of huge warehouses off the M40 at junction 10 will only increase this many times over and in a village like Aynho life will become intolerable. These plans surely cannot be approved without massive financial investment in the road structure to take the traffic away from the village of Aynho and the surrounding roads and villages that will be used as 'rat runs' to circumnavigate hold ups. I strongly object to the planning application on grounds of safety to residents, congestion of roads, increased noise and air pollution.</p> <p>Yous faithfully Deborah Gibbs</p>
